MENTOR ALABAMA

College Campus Mentoring Crusade

As an Alabama college student, you have the unique opportunity of being able to relate to children, and to become a significant young adult role model. All children need responsible, committed, and caring adults in their lives. Along with parents, mentors provide young persons with the support, counsel, friendship, positive reinforcement and constructive examples necessary to help them make the right choices, and to keep them on the right path. Mentor Alabama was launched as an initiative in an effort to prevent juvenile crime, youth violence, and gang involvement. The goal of Mentor Alabama is to recruit mentors for Alabama's youth by and to prevent juvenile crime. No matter how limited our time, each of us has the capacity to make a tremendous difference by touching the life of a child. You have the opportunity to begin what I hope will be a lifetime of service through positive community involvement through Mentor Alabama. If you join with us and commit to becoming a mentor through our Mentor Alabama College Campus Mentoring Crusade, I will commit to providing you with a personal letter of recommendation for this community service to be included in your college records. You must, however, fulfill your commitment by becoming actively involved in the life of a child as a mentor, and by:

1. Registering your desire to become involved as a mentor through *Mentor Alabama* volunteer (by either completing and returning the *Mentor Alabama* registration form below, or by registering your desire to volunteer on line with us at www.mentor-alabama@adeca.alabama.gov).
2. You must be added to our *Mentor Alabama* volunteer database after successfully completing a criminal background check, and must commit to giving of yourself and becoming involved as a mentor through an existing mentoring organization for two semesters (or its equivalent);
3. You must then provide my office with verification of your commitment and involvement with the mentoring organization, in the form of personal letter send to me from an official of the organization, verifying this information and your commitment.

I encourage you to share this opportunity and encourage your friends and other fellow students who are interested in becoming a part of this college campus crusade. To find out more about the MENTOR ALABAMA mentoring initiative or register their desire to become a MENTOR ALABAMA volunteer, call at 334-353-3100, or contact us through e-mail at MentorAlabama@adeca.alabama.gov. We hope to receive your registration to join with us as we *Mentor Alabama*.

YES! I want to join with MENTOR ALABAMA, and find out more about mentoring a child!
